FREQUENTLY ASKED QUESTIONS

Everything you need to know.

Do I need to know how to play darts?

Not at all. The technology guides you through everything, it scores automatically, tells you where to throw and makes the game fun for complete beginners. All the fun without the hurt.

How many people can play?

Up to 16 per lounge — we recommend up to 8 actively playing at any one time with others watching, eating and drinking. There's no requirement for everyone to play.

Are children welcome?

Yes — children are very welcome when accompanied by a supervising adult. Ages 8 and up can play. Children can enter up until 8:30pm and must vacate by 10pm. Under 12s get half price on the family rate.

Can we eat and drink in the lounge?

Absolutely — that's half the fun. Order via QR code in your lounge or at the bar and we'll deliver to you. Pre-order when you book and everything's ready on arrival.

What non-alcoholic options are there?

We have a great range including soft drinks, mocktails, shakes, hot drinks, non-alcoholic beer, wine and gin. Non-alcoholic guests are never an afterthought at Kingfisher.

Can I bring my own darts?

Please use the darts we provide — our boards and technology are calibrated for our own equipment.

Can you cater for dietary requirements?

All dietary requirements accommodated — gluten free, vegan, vegetarian, dairy free and more. Please advise at time of booking. Kids menu available.

Is the venue accessible?

Yes — fully accessible at ground level with compliant chair access throughout all areas including dart lounges, bars and alfresco balconies.

What happens if we're running late?

Please let us know as soon as possible. We hold your lounge for up to 15 minutes beyond your booking time before releasing it.

What is the refund and cancellation policy?

We take a credit card hold to secure your booking — no upfront charge. For cancellations we require 48 hours notice for a full refund. Miss your booking? Contact us and we'll do our best to rebook.

Is it safe?

Each lounge has a dedicated safe dart lane — seating and standing areas are always positioned clear of any throws.

READY TO PLAY?

Bookings are highly recommended — lounges fill fast, especially Friday and Saturday nights.
